Subject: Submittal of the Madera County Amendment #5 (Type 3) to the 2011 FTIP

Dear Mr. Aljabiry:

Enclosed for your review and approval is Amendment #5 (Type 3) to the 2011 Federal Transportation Improvement Program (FTIP).

Documentation associated with this amendment is provided as indicated below:

- **Project List:** Attachment 1 includes a summary of programming changes that result from Amendment #5 to the 2011 FTIP. These projects and/or project phases are consistent with the 2011 Regional Transportation Plan (RTP), which was adopted by MCTC on July 21, 2010. The attachment also includes the CTIPs printout for the project changes to the 2011 FTIP via Amendment #5.
- **Updated Financial Plan:** Attachment 2. The Financial Plan from the 2011 FTIP has been updated to include the project list as provided in Attachment 1.
- **Conformity Requirements:** The proposed project changes have been determined to be exempt from the requirement that a conformity determination and/or regional emissions analysis be performed per 40 CFR 93.126, 93.127, or 93.128. Because the projects are exempt, no further conformity determination is required.

In addition, the projects and/or project phases contained in Amendment #5 do not interfere with the timely implementation of any approved TCMs.

- Public Involvement: Attachment 3 includes the Draft Public Notice and Adoption Resolution.

A 7-day public review and interagency consultation period was completed on May 18, 2011. A public hearing was held at our regularly scheduled Board meeting on May 18, 2011. The final document has been updated to address public comments received. The public participation process for Amendment #5 to the 2011 FTIP is consistent with MCTC board adopted public participation plan. On May 18, 2011, the MCTC Board of Directors approved Amendment #5 to the 2011 FTIP. State and federal approval is required.

Included with this letter are two hard copies of Amendment #5 to the 2011 FTIP. An electronic copy of the four year financial plan will be sent via email. Amendment #5 to the 2011 FTIP is available online on the MCTC website at <http://www.maderactc.org>.

If you have any questions regarding this document, please contact Derek Winning at 559-675-0721.

Sincerely,

Patricia Taylor, Executive Director

The purpose of the hearing is to receive public comments.

- The 2011 FTIP is a listing of capital improvement and operational expenditures utilizing federal and state monies for transportation projects in Madera County during the next four years that are eligible to proceed without a conformity determination.

- The Draft Amendment #5 to the 2011 FTIP is a Type 3 amendment that contains project phases and/or projects that have been determined to be exempt from the requirement that a conformity determination and/or regional emissions analysis be performed per 40 CFR 93.126, 93.127, or 93.128. Because the projects are exempt, no further conformity determination is required.

A concurrent 7-day public review and comment period will commence on May 12, 2011 and conclude May 18, 2011 at 3:00pm. The draft documents are available for review at the MCTC office, located at 2001 Howard Road, Suite 201, Madera, CA 93637 and on the MCTC website at <http://www.maderactc.org/>.

Public comments are welcomed at the hearing, or may be submitted in writing by 3:00pm on May 18, 2011 to Derek Winning at the address below.

After considering the comments, the documents will be considered for adoption, by resolution, by the Madera County Transportation Commission at a regularly scheduled meeting to be held on May 18, 2011. The documents will then be submitted to state and federal agencies for approval.
