TO: Member Agencies and Interested Persons  
FROM: Jeff Findley, Principal Regional Planner  
SUBJECT: 2024 Supplemental Carbon Reduction Program (CRP) Call for Projects Available

The Madera County Transportation Commission (MCTC) has released a Supplemental Call for Projects for the Carbon Reduction Program (CRP).

The Carbon Reduction Program (CRP) is a federal funding program created through the Infrastructure Investment and Jobs Act (IIJA). CRP was created to reduce transportation emissions through the development of State carbon reduction strategies and by funding projects designed to reduce transportation emissions. Projects eligibility is essentially identical to the CMAQ program, including the provisions that projects do not involve the construction of new capacity. There is currently a total of \$486,532 for the 2024 Supplemental CRP Call for Projects.

The tentative schedule for the MCTC CMAQ/CRP Call for Projects and related Federal Transportation Improvement Programming (FTIP) and Air Quality Conformity process are as follows:

October 28, 2024	Release of CRP Call for Projects
December 20, 2024	CRP Project Submittals Due
February 2025	Anticipated MCTC Board Adoption of Projects and Contingency List
April-May, 2025	Anticipated FHWA/FTA Approval of 2025 FTIP Amendment

Additional information on the Supplemental CRP Call for Projects, including emission reduction calculation tools/methodology, application, and other documents may be found on the MCTC website: [MCTC CMAQ Resource Page](#)

Applications are due by **3:00 PM on Friday, December 20, 2024**. Please submit completed application with transmittal letter on agency letterhead to:
