Table B-6 Commuter Rail

Agency	Agency	Project Name	Project ID	Description	Total Cost
SRHP - 29	Various Agencies	Madera High-Speed Rail Station Project	MAD118003	The project site is located a mile north of Avenue 12 in Madera County, between the BNSF Railroad tracks to the east and the California High Speed Rail Project Corridor (under construction) to the west. The first phase will relocate the current Amtrak station, the second phase will construct a HSR station for initial HSR service between Merced and Bakersfield, the final phase will expand the HSR station for the full HSR system service.	\$300,000,000

Total \$300,000,000
